Schools Art Education Classes

FOR SCHOOLS

COF offers student-focused visual art education classes pre-school to grade 12 in an experiential hands on learning environment in-person or online.

COF Art Education Classes offer an inspiring artistic experience for students and teachers to reflect, plan and share while art-making using a variety of techniques and mediums.

Classes focus on visual literacy, experimentation, collaboration, problem solving, innovation and interaction.

COF provides expertise and unique experiences for students and in some cases we may involve local artists to participate in the classes.

Creativity is intelligence having fun

Schools Art Education Classes

FOR SCHOOLS

COF offers Schools visual art education classes in-person or online that can be scheduled for a one time session or once a week in 6, 8 or 10 week sessions. (September-June)

Classes can be scheduled during regular class time, lunch break or as an after school program.

COF brings strong quality programming to the schools through our art education and outreach team of educators.

COF will work with the teachers, parent councils and/or parents to maximize the time and value of each student's experience.

Schools Art Projects

SPECIAL STUDENT ART EDUCATION PROJECTS

COF offers an opportunity for students to experiment by working on special art projects with different types of art media.

Projects focus on the conceptual and technical side of art-making. Special art projects encourages students to explore new concepts, materials and strategies that can be done in-school or in-studio.

Teachers are encouraged to expand further upon the special art projects and the concepts learned in the classroom of possible!
